

950 Women and Girls Murdered in BC

Help us to remember them by collecting woman's and girl's shoes

December 6, 2015 the 13th Annual Shoe Memorial
At the Vancouver Art Gallery
Robson Street Side

It has been 25 years since fourteen women were selectively killed at the Montreal Polytechnique

Government and media no longer widely acknowledge this day. Only with your help can we remember the over 950 women murdered in BC since then, as well as those who came before them.

Our common goal is 'that the names of the victims' should never be forgotten. They are represented by each pair of shoes and the printing and display of their names.

Join us and pay your respects to those who have been killed.

To our friends and volunteers

The deadline for pick up or delivery of shoes is November 22

In the lower mainland to donate shoes, find out more information or to volunteer please contact John (604) 807-8940 or pkelln@telus.net

After the memorial the shoes are given, both directly and indirectly, to women in need.

December 6, 2015
8 am to 3 pm
Ceremony at 12 noon
